## What do you think about paying more for policing in Cambridgeshire?

	<p>Jason Ablewhite, the Police and Crime Commissioner, wants to know what you think.</p>
	<p>One of his jobs is to ask how much you are willing to pay towards police funding in 2019/20.</p>
	<p>Part of your council tax pays for the police.</p>

The Commissioner wants to raise money to meet demand.

There are three options for you to choose from.

**-80**

**Option 1**

For an extra £4.00 per year (33p per month), we would have to reduce police officers by up to 80. This is because some things are more expensive.

**+50**

**Option 2**

For an extra £24.00 a year, (£2 per month) we can increase police officers by up to 50.

This is what we want to do.

**+350**

### **Option 3**

For an increase of £120 a year (£10 per month), we can increase police officers by 350.

We want to know which of these options you agree with.

This will help the Commissioner know what the public want him to do.
