In Cambridgeshire and Peterborough we work in partnership with our colleagues in the local authority Domestic Abuse and Sexual Violence Partnership team to effectively co-commission all domestic abuse and rape and sexual violence support services.

For example the Partnership Team manage all the IDVA provision in the county so this could be considered co-commissioning with the local authority. With regards to commissioning support for survivors of rape and sexual violence this contract is co-commissioned with a range of partners including the local authority.

Should you wish to have more detail please contact our Director of Commissioning Nicky Edwards who is happy to explain the local context more clearly as the questions do not allow for us to explain local nuances.
