23rd November 2021

Dear Edward,

I refer to the Cambridgeshire Police and Crime Panel's (the "Panel") report of the 22nd November 2021 entitled 'Recommendation following consideration of the report from the Police and Crime Commissioner on the Police and Crime Plan 2021-24' following their consideration of my draft Police and Crime Plan (the "Plan") on 15th November 2021.

In accordance with Section 5(6) of the Police Reform and Social Responsibility Act 2011, this letter acts as my formal response to the Panel's report.

I note from the report that the Panel has reviewed the draft Plan and has agreed to endorse the Plan. I also note the Panel's comments.

I was pleased to receive such positive comments from the Panel during the meeting regarding the Plan. I am confident that following the wide consultation I have undertaken, the Plan will provide the strategic direction to deliver what our residents expect for tackling crime and keeping our communities safe.

I have carefully considered the comments made by the Panel and will be making some updates to the Plan to reflect the Panel's feedback.

I can assure you that I will bring a detailed update to the Panel on delivery of the Plan on a six-monthly basis.

Finally, I would like to thank the Panel for their contribution towards the development of my Police and Crime Plan and I look forward to working with them in ensuring its successful delivery.

Yours sincerely

Darryl Preston
Police and Crime Commissioner for Cambridgeshire and Peterborough
