

Tri-Force Joint Audit Forum

Purpose:

Forum for sharing, discussing and networking with regards to Joint Audit Committee matters to deliver the principles set out below:-

How:

- The Chairs will meet prior to the Forum to agree the agenda and any training and development issues that they have identified during their own Joint Audit Committee meetings

Core Principles:

- The Forum has been set up to provide a forum for discussion and debate and informed decision making of the Joint Audit Committees, in particular with regards to:
 - An improved understanding of individual financial pressures and issues.
 - An improved understanding of individual risk management issues for the Force and IPCC.
 - An improved understanding of individual partnership and collaboration.
- The Forum is an opportunity to discuss how Joint Audit Committees can influence behaviours and management of change within the remit of a Joint Audit Committee.
- Support Joint Audit Committees to inform on the annual audit plan of the Force.
- A forum for all members of Joint Audit Committees to receive development and training that has been identified during Joint Audit Committee meetings or informed by national matters.
