

22nd March 2017

Dear Member of the Public

I am writing in response to your request for information under the Freedom of Information Act 2000, dated 20th March.

You requested information regarding Cambridgeshire Constabulary's policy regarding driving standards required for both Advanced and Standard response drivers who have Monocular vision.

You also wanted to know how many officers, if any currently are in employment, suffer from Monocular Vision and what role they currently perform within the force.

I can advise that the Office of the Police and Crime Commissioner does not hold the information requested.

However, Cambridgeshire Constabulary, which is a separate organisation and is treated as such under the Freedom of Information Act 2000, may hold this information. You may wish to resubmit your request to them by email to foi@cambs.pnn.police.uk

Alternatively, please see the link below to the Constabulary's Freedom of Information pages: <http://www.cambs-police.co.uk/about/foi/index.asp>.

We trust that the information provided above meets your needs. However, if you are unhappy with this response, please see below 'satisfied with our service', which sets out your rights to appeal.

Kind regards

Office of the Police and Crime Commissioner
