Red text denotes who will be updating the action at the meeting and the suggest response to the action

ACTION NO.	MEETING DATE RAISED	MEETING AGENDA ITEM	ACTION	OWNER	TARGET DATE	CURRENT POSITION	COMPLETION DATE
45.0	28/10/2020	7.0	Demand Hub – Graded response and Deployment Procedure: Response times to certain grades of incident has risen but a new Grading and Deployment procedure is awaiting ‘go-live’ – on the face of it new times for response seem to be considerably longer than currently – there are obvious concerns about protecting the vulnerable by doing that – this is a hugely complex area of business, so rather than try to discuss at meeting, a report to the next board that explains this in more details and how we can be assured safety is not being undermined.
