

Crime and Disorder Grants 2015/16

Partner	Allocation 2015/16 (£)	Rationale
Peterborough Drug Intervention	166,050	Safer Peterborough Partnership has an integrated treatment system that promotes recovery for drug users across the criminal justice system; reducing offending and anti-social behaviour, and improving health. It links clearly with alcohol treatment, substance misuse prevention, and criminal justice interventions to build more cohesive, safer and confident communities.
Cambridgeshire Drug Intervention	93,960	Through effective partnership working aligned to both IOM and Transforming Rehabilitation, DAAT's START programme will engage substance misusing offenders, at all stages of the criminal justice process, to participate in effective, structured treatment. The intention is to reduce the impact of drug related offending and create fewer victims of crime.
Safer Peterborough Partnership	132,339	Safer Peterborough Partnership builds cohesive, safer and confident communities by driving down rates of reported crime and anti-social behaviour. It is committed to Peterborough's preventative agenda by clear linkage with the Sustainable Community Strategy, whilst continuing its focus on tackling current issues of cohesion, crime, disorder and safety within neighbourhoods.
Cambridge City Community Safety Partnership	39,217	The Cambridge CSP having considered local issues and consulted with the public, will be working on projects to reduce anti-social behaviour, serious acquisitive crime, including burglary, and will undertake preventative work with young people. We will also focus on the longer term strategic issue of the impact of mental health, drug and alcohol misuse on violent crime and ASB through improved working with the mental health service.
Huntingdon Community Safety Partnership	22,990	The Huntingdonshire Community Safety Partnership has a proven record of reducing crime, disorder and anti-social behaviour. Working together, sharing information, applying tailor-made approaches that range from more traditional interventions to more creative and cross-agency ones, the partnership will use its grant smartly to build on past achievements, focus on that which causes the most harm and that which causes concern to the people of the district being served.
Fenland Community Safety Partnership	34,710	The Fenland Community Safety Partnership projects are developed to support the reduction of crime

		<p>across the district, focusing on the following themes:</p> <ul style="list-style-type: none"> • Anti-social behaviour • Alcohol related crime • Acquisitive crime • Children and Young people <p>Supporting victims and vulnerable people, domestic abuse, reducing re-offending and substance misuse run throughout the four themes.</p>
East Cambridgeshire Community Safety Partnership	17,580	<p>The CSP emphasizes preventative work with young people to reduce anti-social behavior and engaging volunteers in crime and ASB prevention activities. Neighborhood improvement work with Town and Parish Councils will work at a very local neighborhood level to reduce local fear of crime and anti-social behavior.</p>
South Cambridgeshire Community Safety Partnership	15,777	<p>The grant will be used for</p> <ul style="list-style-type: none"> • helping to keep people safe in their homes (including tackling burglary and rogue trading) • supporting vulnerable victims (particularly victims of domestic abuse) • preventing and tackling anti-social behaviour, and supporting the "Together for Families" initiative • continuing support for the Countywide Offender Management scheme. <p>As part of the four priorities, we will aim to improve how we work together on (a) mental health issues and (b) with young people.</p>
Cambridgeshire Youth Offending Service	127,296	<p>The grant funds three Prevention Officers. These Officers work in high need areas in Cambridgeshire to prevent young people at risk from entering the criminal justice system. The Officers work closely with local Police Officers and Children's Services to identify young people.</p>
Peterborough Youth Offending Service	135,506	<p>The PCC funding will primarily support the crime prevention agenda, securing staff time to work with young people at risk of offending or who have committed a first low level offence. By tackling the underlying issues at this early stage, crime will be significantly reduced in the longer term.</p>
Cambridgeshire Constabulary – Tackling substance misuse & Mental Health	35,000	<p>The funding will enable the continuation of Drug Testing on Arrest (DTOA) and to underpin and enable activity together with DAAT partners across the county. Specifically Reducing Re-Offending – In particular tackling 'Frequent Flyers' through custody who come with problems associated with Mental Health/Drugs/Alcohol misuse. This links with the CCJB work on reducing reoffending which links to the wider BeNCH work on this topic.</p>

ECINS Empowering Communities	75,600	ECINs is a partnership information sharing system which enables real time case management. It is being used, for example, to support multi-agency work on ASB, licencing and Integrated Offender Management. The Commissioner has committed to fund the system from 2015.
Integrated Offender Management	38,909	IOM is successful in reducing the reoffending of prolific offenders most at risk of committing acquisitive crime such burglary and car crime. Key agencies work together to assist offenders to address the causes of their reoffending whilst those that do not engage are subject to robust disruption/enforcement activity.
Criminal Justice Board (Hosted service)	23,725	The grant is made to sustain the management of the Cambridgeshire Criminal Justice Board (CCJB), it provides staffing resource to the CCJB delivery sub group structure to achieve the key strategic priorities. The national criminal justice system modernisation and efficiency programme of change (to digitise and computerise the investigation and prosecution process and documentation) is owned by the county level CCJB.
Multi Agency Public Protection Arrangements (funds admin post in Probation)	50,000	The Multi-Agency Public Protection Arrangements are a set of arrangements to manage the risk posed by the most serious sexual and violent offenders (MAPPA-eligible offenders) under the provisions of sections 325 to 327b of the Criminal Justice Act 2003. They bring together the Police, Probation and Prison Services into what is known as the MAPPA Responsible Authority. There are three management levels intended to ensure that resources are focused upon the cases where they are most needed, generally those involving the higher risks of serious harm.
Cambridge Local Safeguarding Children Board	48,468	This is a Statutory Board the Constabulary supports.
Peterborough Local Safeguarding Children Board	37,773	This is a Statutory Board the Constabulary supports.
Huntingdon Business Against Crime	5,694	Huntingdonshire Business Against Crime is a non-profit making organisation set up in 2004 to help reduce crime and anti-social behaviour in retail premises. The scheme works in partnership with Cambridgeshire Constabulary to encourage premises to detect and deter crime and uses a robust exclusion scheme for the most prolific and persistent offenders.
Cambridgeshire Countryside Watch	12,337	Countryside watch is a small charity that works to protect the countryside across Cambridgeshire; they work with the police to prevent rural crime

		such as oil theft, machinery theft and hare-coursing.
Crimestoppers	24,000	This is a contribution towards funding the National call centre and a contribution towards an Eastern Regional Manager post in Crimestoppers.
Cambridge Safeguarding Adults Board	4,745	This is a Statutory Board the Constabulary supports.
Peterborough Safeguarding Adults Board	4,745	This is a Statutory Board the Constabulary supports.
Road Victims Trust	41,000	The RVT provides comprehensive support to meet the specific practical and emotional needs of those affected by the impact of the sudden and violent circumstance of a road death.

Purpose of the funding

A crime and disorder reduction grant is a grant which, in the opinion of the elected local policing body, will secure, or contribute to securing, crime and disorder reduction in the body's area.

The Grant can be used for:

- activities that aim to cut crime, prevent crime, reduce re-offending and other community safety activities;
- commissioning services, awarding grants to or match funding activities that aim to cut crime, prevent crime, reduce re-offending and other community safety activities;
- activities that will help to create a sustainable community safety environment in Cambridgeshire and Peterborough;
- activities that will have regard to the need to safeguard and promote the welfare of children.
- activities that achieve the objectives set out in the Commissioners Police and Crime Plan.
- must use the Empowering Communities and Neighbourhood Management and Inclusion System ("ECINS") and demonstrate working toward the maximum utility of this capability throughout its service.
