Strategic Risk Register October 2020			

<b>Report summary</b>	<p>This is the six-monthly update to the Committee showing changes to the Strategic Risk Register.</p> <p>One new risk has been added. This is Risk 3.6 'There is a risk that the Commissioner and Chief Constable fail to work together effectively'. This risk is raised in recognition of the Police and Crime Commissioner elections on 6 May 2021.</p> <p>The Constabulary have also raised a risk 'That the new PCC may set new priorities for the Constabulary before fully understanding the existing landscape.'</p> <p>There is a lot of mitigation for both risks and it is anticipated the risk will be removed later in the year once working practices are established.</p>
